8. Proposal Template

Standard outreach template for automation gigs:

- Subject: Python Automation Expert - Ready to Start
- Hi [Client], I read your project with interest. I specialize in Python automation, API integrations, and intelligent bot development.
- Recent work includes: trading bots (Python/Flask/PostgreSQL), AI agents with n8n workflows, web scraping at scale with Playwright/Selenium.
- I can start immediately and deliver production-ready code. Happy to discuss approach and timeline.
- Best, Emilio Ranucoli | ranuk.dev | 10+ years Python/ML/automation

9. Recommended Actions

- IMMEDIATE: Apply to #1 Kalshi Trading Bot (perfect fit, \$50-\$180/hr)
- IMMEDIATE: Apply to #4 File Download Automation (urgent, quick win)
- TODAY: Apply to #3 AI Receptionist Agent (excellent stack match)
- THIS WEEK: Apply to #2 Lead Scraper and #5 Editorial Workflow on Freelancer
- ONGOING: Re-run scraper daily to catch new gigs early
